REPORTS

Secretary's Report

It was motioned and seconded to accept the minutes from the January 7th Board meeting. All voted in favor.

Treasurer's Report

No report available at time of meeting.

OLD BUSINESS

Party in the Pen

There were approximately 150 people who attended the event. The feedback was positive. A larger location to hold the "Party" would make it easier to move around as well as allowing people to see all the animals in the sale. A larger area would also better accommodate a speaker. The sale arena/tie out area was mentioned as a possible venue if the decision is made to hold the event next year.

Jackpot Show

All tiered sponsorship is still needed for the show. There are possible sponsors the board is waiting to hear back from. David Shockey will be doing an ultrasound demonstration/contest during the event. The timeline is being worked out, with the possibility of adding something Friday evening.

NEW BUSINESS

WSLA States

The Board discussed adding the States of Wyoming, Colorado and Utah to the Western States Lowline Association. In order to do this, the States of Alaska and Hawaii would have to be removed from the WSLA. Katherine Wise motioned to remove the States of Alaska and Hawaii from the WSLA in order to add the States of Wyoming, Colorado and Utah to the Western States Lowline Association. David Shockey seconded the motion; all voted in favor.

WSLA Classic

The dates for the 2015 WSLA Classic: Arriving September 10th and leaving September 15th. The show will be on Saturday. A possible Power Bull Contest as well as other options will be researched to add to the Classic Show. The Board would like to have more people come to Spokane. An advertisement will be placed in the Spring issue of the Ledger with details for the Show. Invitations will go out as well.

University of Idaho Sponsorship

The University of Idaho approached WSLA to help sponsor a team that will be evaluating live meat livestock as well as their carcass data in a couple of judging contests. It was discussed by the Board and then motioned and seconded to give the University of Idaho's Livestock Evaluation team \$250.00; all voted in favor.

It was motioned and seconded to adjourn the meeting; all voted in favor.

The next meeting will be March 10, 2015.

MEETING ADJOURNED

The meeting was adjourned at 8:18 pm PST.
