National Committees:

Jacqui asked the Board and members in attendance if they would like to continue serving on the national committees.

Rick Palmer – Yes

Shelley Dodd – Yes

David Shockey – Yes

Quinn McElwee – Yes

Missy – Yes

The National Show:

There was general discussion on the National Show. It was determined the Angus and Hereford breeds would not be going to Denver in 2022 and instead going to Oklahoma for the show.

If the Aberdeen breed stays in Denver, it was discussed asking the National Western Stock Show for better placement. Oklahoma offers nice facilities, but there is not a lot of selling of our breed in this area.

General Business:

Jacqui asked the WABA Board to send Shelley Dodd information for the website regarding events, news, and information for members.

Past Meeting Minutes:

David made a motion to accept the minutes and Renae seconded that motion.

Treasurer's Report:

Shelley was able to get Renae access to the bank statements for WABA. In the checking account, there was \$8,113.62 and \$8,799.48 in savings. In membership revenue, there had been \$620.00 for this quarter. Holli made a motion to accept the Treasurer's Report and Jerry seconded it.

Old Business:

Diana made a Google Document with upcoming show dates to share with the WABA BOD. The Kootenai Classic is June 18-20, 2021. Exhibitors can win prize money. Full bloods and moderators will show together. Julie plans to take 5 juniors to the show.

The North Idaho Fair is August 5th-29th. Ellen is helping spearhead it. The question was asked would WABA want to offer a sponsorship.

Speakers:

Julie asked if we would like more speakers in the future to attend the monthly WABA Meetings.

Jacqui complimented Renae on bringing new resources to the meeting and good topics to think about. The Board asking various questions: 1) Biggest challenges 2) How do we increase membership engagement? 3) Can we ask for the Association's help?

Future general topics included: Discussions on EPDs. The Board determined let's wait until September 2021 to bring in a guest speaker again, due to the busy season this spring/summer for many members.

New Business:

The Southwest Fair in August 2021 – Julie will have more information at the next meeting.
